

Uplands Scavenger Hunt

Look up, down, and all around for the plants and animals on these pages. Either put an X on each item as you find it, or take a photo of your own to share. Try to remember the names of everything you find.

Please explore nature responsibly.

- Leave no trace, take all trash and food scraps with you when you leave.
- Take only photos and leave everything else where you found it.
- Never feed a wild animal or entice them with food.
- Keep a safe distance from all animals and don't scare or disturb them.
- Stay on the trails and avoid stepping on plants.
- Share your love of nature and teach others whenever you get a chance.

"In the end we will conserve only what we love; we will love only what we understand; and we will understand only what we are taught."

- **Baba Dioum, 1968.**

Northern Cardinal
Cardinalis cardinalis

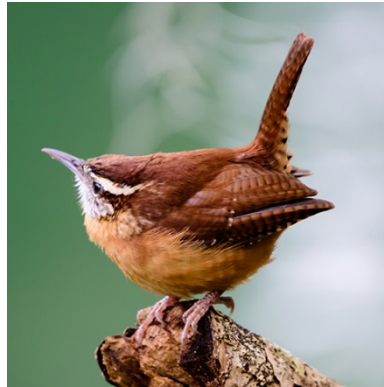

Yellow-bellied Sapsucker
Sphyrapicus varius

Sandhill Cranes
Antigone canadensis

Northern Mockingbird
Mimus polyglottos

Carolina Wren
